Dear Sir:

As Fire Marshal of the city of Tallmadge, I am granting Mark R. Recktenwald and the Manitowoc Township missile agency permission to hold model rocket launches at the Summit County Fairgrounds. This permission is granted for the remainder of the year 2000. 48-hour notification is required prior to any rocket launches after October 8th 2000. I have been notified of the October 8th 2000 launch.

The rocket model club must comply with all state and federal regulations concerning this activity. Working fire extinguishers must be onsite at all times. Dried vegetation must be cleared and protected from hot particles during any launch.

Certificate of insurance or a copy must be onsite.

If you have any questions concerning this letter, he may contact me and 330 633-0970 weekdays.

Sincerely,

A handwritten signature in black ink that reads "Steve Gibson".

Steve Gibson
Fire Marshal
