Dear Mr. Recktenwald:

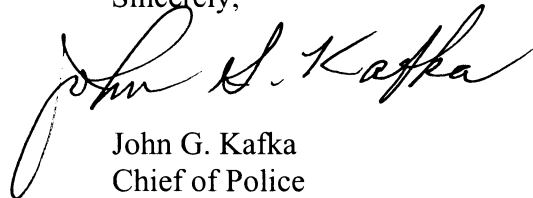

SUBJECT: Model Rocket Launching

In response to your recent inquiry as to whether this department would have any objections to having model rockets launched at the Summit Fairgrounds, this is to advise that we have none. However, we would recommend that you get approval from the Tallmadge Fire Department as well.

Should they also rule in your favor, we hope you enjoy many hours of rocket launching.

If we can of further service to you in the future, please do not hesitate to call on us.

Sincerely,

John G. Kafka
Chief of Police
